About BLWPOA...

Welcome to the Bear Lake West Property Owners' Association (BLWPOA). Bear Lake West is owned by two Associations, Bear Lake West Property Owners Association, known as the POA, and the Bear Lake West Home Owners Association, known as the HOA. The BLWPOA is an association made up of 402 lot owners governed by a Board of Directors.

The POA is a non-profit organization entirely solvent without any outstanding debt. To provide for the management, upkeep and care of Bear Lake West we have a Property Manager and a Water Master individual. About half the roads in the Association are maintained by the county, the

others are maintained by the Association. Roads are maintained year-round and snow removal for driveways is provided by the Association (see Fees & Services for Members)

The POA is made up of land parcels known as Plats B & C which are located about ¼ mile south of Fish Haven Idaho. They can be reached by taking Loveland Lane east off Highway 89, which is located on the south side of Fish Haven.

The Association is bordered on the North and West by the Bureau of Land Management

and the U.S. Forest Service. There is easy access to the major trail system in the area.

The board of directors meets on the second Saturday of each month April through November, which the membership is always welcome to attend.
